

## OTM Faculty Review Panel Nominations

With the recent announcement of new Ohio Transfer Module (OTM) learning outcomes a recommendation to increase faculty review panel members has been taken into consideration. To ensure a consistent number of faculty members participate in new OTM course submissions and future course re-reviews, we have identified specific panel needs based on OTM panel lead requests.

To secure appropriate institutional and discipline representation, we are now accepting faculty nominations. In total we are working to fill roughly 55 OTM faculty review panel member positions.

As institutional recommendations are received, we will determine which recommendations/institutions will best complete each panel. If your nomination is accepted, we will follow up with institutions individually.

### What we need from you:

Please nominate faculty from your institution to serve on these panels. This survey has been designed so that you will be able to enter your nomination for open OTM discipline areas. Please have the following items ready prior to filling out this survey:

1. Name of Your Nominee
2. Job Title
3. Discipline
4. Area(s) of Expertise/Specialty
5. Phone Number
6. Email Address

Please complete your nominations on or prior to Friday, April 23, 2021.

Since we are requesting multiple nominations for varying OTM disciplines areas we ask that you submit each nomination individually. To submit multiple faculty nominations please submit a new survey. This will help us as we coordinate fulfilling each panel.

Thank you in advance for your continued support!
